Foreword

Sound is the theme of the 1967 Periscope. There are many sounds to be heard in our school. One is the sound of silence in the classrooms and study halls. Another is an inquisitive voice asking a question or participating in a discussion. Many voices can be heard cheering at sports events, helping our team on to victory. The final voices to be heard are those of the student body filling the auditorium with the "Pledge of Allegiance".

We hope after hearing all these sounds, that we will become better citizens in the future.

Leone Conrad

It is with great pride that we dedicate the 1967 Periscope to Mrs. Conrad.

During her ten years of teaching in Perry, Mrs. Conrad has given much of her own time not only to help English students, but also to help students giving speeches at various affairs in school. She has also been the director of many Senior Plays.

We greatly appreciate all you have done for us, Mrs. Conrad. It will long be remembered.

The Senior Class of 1967

A retrospect of our years at Perry Central High School holds fond memories for the Class of 1967.

Our freshmen year was filled with the excitement of being in high school. To raise money for graduation and the Senior Class Trip, we sold subscriptions to the *Perry Herald*, and held a dance. During our sophomore year we held a successful fish fry and another dance to build up our treasury.

Our junior year was very busy, first, our class rings came. That happy event was followed by a pizza sale, and a dance, our prom, "Shangri-La" beautifully climaxed our junior year.

During our last year at P.C.S. we achieved the goal for which we had worked so hard. For our senior trip, we went to Kissing Bridge. Club '67, a pizza sale, and the annual senior play, entitled, "The Mouse That Roared" were our final money making projects.

Four years passed too quickly, and we sincerely hope that the class of 1967 is long remembered at P.C.S.

Meet Jorge

Perry welcomes Jorge Garcia Murga from Guatemala as this year's American Field Service exchange student. During his stay in the United States he is living with Mr. and Mrs. Donald Hughes and their family.

"George", a member of Perry's Senior Class, is taking English, American History, Chemistry, French, advanced composition and public speaking. He is studying to become a teacher, and hopes, after graduation from secondary school, to go to the university to study medicine.

George has three brothers, ages 24, 19, and 13, and a sister who is 21. His two older brothers and his sister have been to the U.S. on scholarships, and it was their experiences, combined with his interest in the study of foreign languages, that interested him in the A.F.S. program. We hope George will enjoy his stay in Perry.

Shangri-La

As each passed through a bamboo curtain all those attending the Junior Class Prom found themselves in a land of "Shangri-La." Fortune cookies, ramurcii swords, and pagodas truly created an oriental atmosphere.

After weeks of anticipation, it hardly seemed possible that the long awaited evening had arrived. Everyone was waiting for the royal couple to be announced, and take their place on the throne. Don Jones and his band provided the intoxicating rhythms, and climaxed the evening when they chose the queen and her court. Susan Parker and Norman Swider were chosen as the royal couple. This was an evening that will provide fond memories for everyone who attended.

A night to remember in "Shangri-La."

The 1967 Periscope Staff

The Periscope staff is made up of interested students in grades 9-12. Many hours are spent in earnest effort by all the members. The advertising staff is responsible for soliciting money from local merchants to help finance the book. The art staff designs the cover and any other art work used in the book. The literary staff provides captions for pictures, senior quotes, and all the write-ups. Subscriptions are sold by the Student Council, but the subscriptions staff is in charge of the business end of the production. The actual production is done by the lay-out staff. They choose the pictures that will be used in the book, and must arrange them in a pleasing manner. When everything is in order, the book goes to the typing staff for copying before it is sent to the publisher. All these staffs combined make the yearbook a success.

Each year, every homeroom elects a representative to the student government, the Student Council. Under the leadership of Mr. Good, Mr. Schofield, and the officers, these twenty-eight representatives meet bi-monthly to discuss, decide and make recommendations to the administration on school policy that affects the students.

They recommend the selection of assembly programs, requests of organizations for the use of the school, and various other activities. Among the other duties that the members undertake are: the sale of book covers and paper-back books; the running of the Goodwill Drive; the sale of yearbooks; and the maintaining of the reception desk with the aid of the National Honor Society.

The Student Council cannot dictate school policy; it can merely suggest and recommend for the approval of the administration.

Teaching Careers Ahead for FTA Members

Future Teachers of America is designed to give its members an idea of what the teaching profession is like.

This year the club was provided with several interesting and helpful programs, including slides shown of France by Diane Cox and Terry White, and a talk on Guatemala by our A.F.S. student, George Garcia.

As in past years, each member of FTA was able to practice teach in the subject and grade of his choice. Future teachers were enthusiastic about this program, as they have been in previous years.

Future Homemakers of America

The Future Homemakers of America is an organization of high school girls who have had at least one year of Home Economics. The group meets every second and fourth Wednesday of the month during the noon hour in room 200.

With Mrs. Dennis and Mrs. Ayers as the club advisors, the group has planned many activities and money raising activities and projects for the year. The activities and projects include a bake sale, the annual nut sale and a trip to visit the school of the blind in Batavia.

The goal of each of the girls is to help individuals improve their personal, family, and community living now and in the future. Future Homemakers of America also provides additional experiences in planning and executing activities related to homemaking.

Dramatics Club

Perry Central's Dramatics Club, directed by Mrs. Albro, and Mr. Austin, provides an excellent opportunity for interested students to develop and display their acting talent. For the past several years they have chosen high caliber plays which have drawn large audiences. Aside from acting, there are many other jobs involved in the production of a play, such as make-up, lighting and scenery. These are all done by Dramatics Club members. This year the club went to see a play at Theatre East as their group outing.

Many High School students are getting great enjoyment from working with these groups.

Press Club

Miss Gilette, Typing Advisor; Mrs. Edwards, Chief Advisor; Mrs. Conrad, Literary Advisor

Once a month the students of Perry Central High School can be found in small groups peering over shoulders. The object of all this interest is the school newspaper, the *Hi-Times*. The main project of the Press Club, the *Hi-Times* demands a great deal of work. Covering many areas of interest, from alumni to seventh graders, the *Hi-Times* is written, produced, assembled and sold by the members. Work on the paper is continuous with reporters, assigned by editors, covering every fact of school activities. This year, with a membership of approximately thirty-seven, the Press Club will continue publishing a fine school newspaper.

Latin Club

Roman Culture and the Latin language are subjects of greatest interest to Perry Central's Latin Club. The club, which has greatly increased in membership this year, enjoyed having a Roman Bread Sale in November and a Banquet in March, to which the officers of various other Latin Clubs in the area were invited. The banquet was in the true Roman style, complete with slaves and authentic costumes.

Latin Club is open to all High School students with a genuine interest in the language and culture of ancient Rome.

Le Cercle Français

The French Club, le Cercle Francais, is composed of approximately forty-three members who have completed at least one year of French and have a genuine interest in the French language and culture.

This year the French Club met the first Wednesday of each month with special evening programs. These consisted of a French Bazaar, a county wide French meeting and the annual French Dinner and Mardi Gras with Joerge Garcia as guest speaker. The French Bazaar was designed to be a money making project by turning the main corridor into a French market street.

During one of the noon hour meetings, the club was treated to a French movie. Another noon hour meeting had a guest speaker who participated in the foreign League Exchange to France, Terry White.

Library Clubs

One of our school's most active and interesting clubs is the Senior High Library Club. Its members, students in grades nine through twelve, work in the library one period every week, checking out books and doing various other necessary jobs. They also have social activities. They give a tea every year for the faculty and have a banquet for club members. The high school students who belong to the Library Club are able to have fun, learn how a library is run, and at the same time be of great help to the school librarian, Mrs. Scura, who is also the Club Advisor.

"We Want Victory!"

Cheerleading is the major competitive sport for the girls in grades 9-12. Every spring tryouts are held for the interested girls.

In previous years some of the cheerleaders attended a cheerleading clinic for the purpose of demonstrating and teaching new cheering techniques and cheers. This year however, both the JV and Varsity squads were able to attend and found it to be very worthwhile.

Also, this year a new group was organized —seventh and eighth grade cheerleaders. Their purpose is not only to support their teams, but also to provide extra support for the cheerleaders at the JV and Varsity games. This will give the girls an idea of what it is like to try out for the JV and Varsity squads. Their enthusiasm is overwhelming!

The Varsity Cheerleaders cheer our football team on to victory.

The Varsity Club is in its fourth successful year. Twice each year, after the fall and winter sports seasons, the club holds induction ceremonies in which all winners of varsity letters are invited to join.

Many school functions are undertaken and sponsored by the varsity club. For instance, dances after basketball games, and selling refreshments at football and basketball games. The money is used to buy each member a Varsity Club jacket and to sponsor trips to nearby athletic functions.

Football a Year of

The Perry Central Football team had an unsuccessful season losing all of its games. A hard fought final game almost brought victory, but they lost 14-13 only inches from another touchdown. Although a sad year for the seven seniors on the team, the coaches expect a fine team next year. As many experienced sophomores and juniors will hopefully return to the squad.

As usual injuries hurt the team in mid-season. Ken Conley and Jim Bailey both injured early in the season, returned to star in the final games, along with co-captains Tom Dovolos and Tom Knapp.

The Junior Varsity team showed promising Varsity squad members for next year. Although starting weakly, they ended the season with impressive wins over rival county teams.

Perry Yellowjackets Provided

After opening with three straight non-league losses, to Mt. Morris, Wayland and Caledonia, the Perry basketball team reversed the tide by a 66-54 victory over Wyoming. The season is still young and Coach Downer expects to continue winning. He sees Attica and perennial power Arcade as major candidates for the league championship. This year they will lose five players by graduation. The Junior Varsity also expects to have a good season developing next year's prospective Varsity players. As of now they have lost only to Wayland in their four games.

The Soccer team fared much better than last year, finishing with an overall record of four wins, six losses and one tie. They ended in third place in the league and went to the class A sectionals where they lost to Honeoye Falls in the quarter-finals.

They became the first Perry soccer team ever to beat Wyoming (1-0 in the final game of the season).

Coach Downer looks to an even finer season next year. All of this year's team will hopefully be returning except George Garcia, our A.F.S. foreign exchange student from Guatemala.

Led by George Garcia, Perry's pitchmen booted 17 goals to opponents' 25 goals in the eleven games.

The team leaves the field after a victory.

Wrestling

This year's wrestling team got off to a slow start with two straight opening losses, but came back to tie Fillmore 21-21 in the third match of the young season. Coach Bell is very enthusiastic about his young inexperienced squad. Six members of last year's squad graduated in June but with more hard work the new squad members will take their place.

Mike Nardoci crosses the finish line—first!

The Perry Central High School Track Team of 1966 finished the season as County Champions with an unblemished record in County Competition. Perry's effort was a team effort all the way with the numerous second and third places taken being the deciding factor in winning meets.

For the first time in many years, the County finals were held at Perry on a much improved track. In the County meet, George Dovolos, John Miller, Stan Swider, and Jim Kenney became County Champions in their individual events. Only five seniors were lost through graduation so the coaches, Mr. Kreutter and Mr. Downer, are looking forward to another great year in 1967.

The Perry tennis team of 1966 set a mark in league play that will be difficult to match in succeeding years. A member of the Genesee-Orleans-Wyoming Tennis League, the Yellowjacket squad compiled a perfect 10-0 record for its first tri-county championship since the formation of the league.

This great record would not have been possible without the best overall balance a Perry tennis team has had in many a year. Sam Gullo, Steve Vickers and Faulkner White gave the squad a strong singles lineup that came through for many exciting wins during the season. Jim White and Marc McIntyre, Dick Spellicy and John Pascoe and Bruce Pattridge and Burt Estabrook provided the strength in doubles play.

Swings to Victory

The Perry Central Baseball team of 1966 was Class A County Champions with a 7-3 won-lost record in county competition. The Perry team started off the season by closing the first three ball games, but recovered in the fourth against Arcade. From then on they lost only two games. One of these losses was the quarter final game with Trumansburg, played at Honeyoye Falls which they lost 5-3 in a hard fought battle. Coach Kirkgasser's predictions show an even more successful team in 1967.

Spotlight on Sports

The second annual Sports Banquet, sponsored by the Board of Education was held on June 4, 1966. The speaker for the evening was Mr. Jack Kemp, star quarterback of the pro. Buffalo Bills. His topic was the importance of sportsmanship and character, and the rewards of participation in athletic events. Master of Ceremonies was Mr. Alton Hauck, with a welcome given by Dwight McClurg, President of the Board of Education. The invocation was given by Mr. Vern Saunders. After dinner individual coaches were introduced with each recognizing his players and managers for the season of 1965-66.

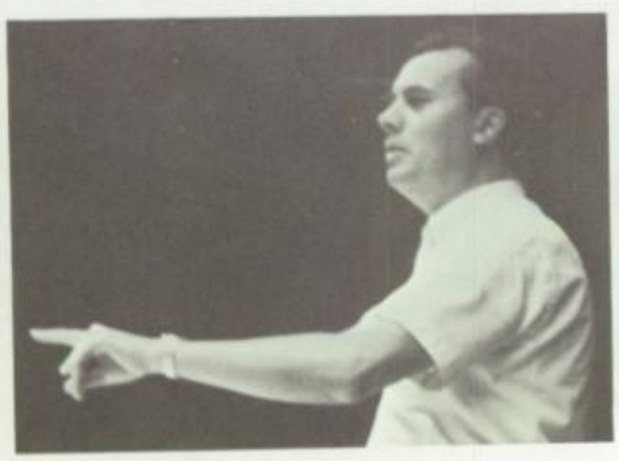
Musical Interest



Above: Part of trumpet section rehearses. *Left*, Mr. Hughes, director of the Junior High and Senior High Bands.

With a 6A rating legacy from last year's organization, the Senior Band, made up of ninety students from grades nine through twelve, is working hard to maintain its standards. While striving to attain proficiency, the members of the Senior Band are also working towards a greater appreciation of the music they play and hear.

The Senior Band plays for several concerts a year. It is at these performances that the band work at the rehearsals shows results. Three days a week, the band can be heard rehearsing during seventh period. Competition for chairs is constant and a level of skill must be maintained.

The Senior Band is also a valuable asset to school spirit. During the football season, the band plays and marches during halftime, thus adding a great deal to the occasion. Besides marching at football games, the Senior Band also performs for various parades held by the town. The Senior Band sometimes assists the cheerleaders in presenting pep rallies during both football and basketball seasons.

The Senior Band is indeed important to the school in general and ninety students in particular. The students and school are indebted to Mr. Hughes.

A multitude of voices resounded from the chorus several times throughout this past year. A diversified program followed, not only making music interesting to the chorus, but also enjoyable to the audience. This program included participation at Chorus in the Round, presentation of a Christmas concert, and the singing of several selections with instrumental accompaniment. For the more ambitious members, participation at the County Music Festival was also included in this program.

The chorus, a group activity, is designed in such a way that one may develop individual talents while benefitting the chorus as a whole.

National Honor Society

Sandy Yauchzy lights a candle representing character.

Sylvia Swider's long-awaited moment.

Thirty-one new members—twenty-two juniors and nine seniors—were inducted into the National Honor Society in an impressive ceremony held in November. This brings the total membership up to forty-one. This is the greatest number of students that Perry Central has ever had in the society. Candidates for membership must fulfill several important qualifications. A scholastic average of eighty-eight per cent for juniors, and eighty-five per cent for seniors, must be obtained if one is to be considered. Also all members must be outstanding in character, leadership, and service to the school and community. Membership in the National Honor Society is something for which all high school students should strive.

Lighting the National Honor Society torch, is Janet Nardocci.

Ruth Hadcock, a devoted kindergarten teacher, was presented the John O. Benz award by Pete Kabat. Each year a deserving teacher is presented this award by the Kiwanis Club for outstanding contribution to education. John O. Benz was a former Superintendent of the Perry Schools and President of the Kiwanis Club in 1958. Ruth Hadcock was chosen for this award in recognition for her service to the young children and adults of the community.

This year Pearl Niles, Sandy Yauchzy, and Kathy Kennedy were recipients of National Merit Scholarship Letters given for high scores on the National Merit Qualifying Exam taken in the junior year.

Honors

JUNIOR MEMBERS: *First Row:* Gary Diver, Tony Kozak, Ronald Wolcott, Gary Bonarski, Dan Saunders. *Second Row:* Debby Nocera, Debbie Dawson, Ann Howden, Gloria Altoft, Pat Parker. *Third Row:* Joanne Orman, Mary Pachuta, Sylvia Swider, Ann Diederich, Anne Humphrey. *Fourth Row:* Richard Spellicy, Bill Roberts, Faulkner White, Bob Hoffman, Andy Smith, Bruce Pattridge.

Recipients of the scholarship letter are required to have a scholastic average of at least 88% and must be members of the junior or senior class. The gold letter, upon which the word "Scholarship" is embroidered in blue, is presented at the autumn awards assembly. Its purpose is to give recognition to outstanding scholars in the same manner that the school's outstanding athletes are cited. Gold stars are awarded annually to those seniors who maintain their average.

TERRY WHITE AND DIANE COX

Our six week trip to France on the Foreign Language League Program was the most memorable experience of our lives.

Our first three weeks were spent in Villard-de-Lans, a tiny alpine village in the French Alps, near Grenoble, the site of the 1968 Winter Olympics. Here we took many afternoon excursions and weekend trips including Nice and Rome. The remainder of our stay was spent in Reims, capital of the Campagne Country. Here, we also went on many excursions including the American Cemeteries and Paris.

ERIC PARKER

Eric Parker was last year's representative to Boys' State sponsored by the American Legion. Boys' State is a program in which students who have completed their junior year participate in government, music, and athletics. It is a model of the state, county and local government run entirely by the boys, complete with political parties, campaigns, and elections. The boys also heard several well known speakers from throughout the state.

JANE COOK

A candidate in the Miss Sea Serpent Festival, Jane Cook, won the title this past summer and went on to compete in the Wyoming County Fair Queen contest. After a personal interview and dinner, she was chosen as the new 1966 Fair Queen. On a trip to the State Fair, she participated in the Court of Queens. In the fall she was chosen to represent Wyoming County in the New York State Junior Miss Pageant honoring the ideal senior girl in the state. Jane not only won a preliminary talent award, but received the first runner-up award entitling her to take the Junior Miss title if for any reason the new 1967 winner should be unable to fulfill her duties.

First Row: Pearl Niles, Janet Nardoci, Linda Page, Diane Cox. *Second Row:* Eric Parker, Sandy Yauchzy, Stan Swider, Larry Richards, Bob Dudzic, Kathy Kennedy, Peggy Spence, Carl Jones.

The Wide Horizons Program, which is sponsored by the University of Rochester as an enrichment program for six high school seniors and their alternates in the Genesee Valley Area, was offered again this year. The students meet once each month to participate in discussions following lectures by different members of the University of Rochester faculty.

After the cheering crowds depart, the field is empty and silent. The victory or defeat, so important now, will fade into dim memories as the wheel of life continues to revolve.

Although this year signifies the end to many, it is also the prologue to further careers. As this year's seniors step into the world, more students will take their places. New students will cheer at other games and different faces will pass through the halls. Even though new voices will be talking, the sounds of P.C.S. will remain forever unchanged.
